“ *Missing you dearly, old friend. I'll never forget that bond we forged, over many years growing up together, Bryan.*

“ *Bryan, when I first heard the news, I didn't believe what I was reading. When you go through life, you always kind of wonder and worry who in the family will be next to go. I never thought it would have been you. You were simply too young. Rest well, my cousin... my friend. I will always remember our times of gaming and listening to music together.*

Love always,

Buddy.
