

Camille Marcy

May 5, 1935 - December 1, 2024

Camille M. Marcy, age 89, passed away peacefully on December 1, 2024. Camille was born on May 5, 1935, in Detroit to the late Angela and Edward Marcy.

Growing up as an only child, Camille developed a determined and independent spirit, which was evident up until the end of her life. As a younger woman, she worked at an array of interesting careers, from a seamstress to investment house brokerage assistant, she had many stories to share from her wealth of experiences.

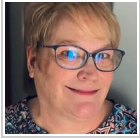

Camille was insightful, wise and witty, yet incredibly humble and self-deprecating to a fault. She had a generous spirit and championed the efforts of animal rescue and adoption, having adopted several pets throughout her life, including her beloved cats Ziggy and Zani.

Always ready to greet you with her beautiful smile and perhaps a sarcastic little quip, she had a comfortable way about herself yet managed to keep you on your toes. You never quite knew what to expect from Camille... and that made her both uniquely charming and incredibly endearing.

Her wishes for no services when she passed from this life fall right in line with her lifelong desire to “fly under the radar” and “go unnoticed”, but if you knew Camille, that was impossible for her to actually accomplish. Camille was a sassy little spitfire and will be dearly missed by all who had the pleasure of knowing her, including all her many friends that survive her.

Arrangements are in care of Jowett Funeral Home - Port Huron.
