“ *Carla was always such a funny, loving soul. I always felt at home when I came over to hang out with Bowen. I have known Carla for a while and she always had a smile when I would run into her. I will miss her every day.* ”

“ *My grandma was an amazing person whose presence could brighten even the darkest days. She had a warmth that wrapped itself around everyone she loved, and a strength that quietly held the family together. Her kindness wasn't loud, but steady—felt in the way she listened, the way she comforted, and the way she gave so much of herself without ever asking for anything in return. Losing her feels unreal, because someone so full of love and goodness should have had more time. She passed far too soon, leaving a space no one else can fill, but her memory continues to guide me, reminding me of what it means to love deeply, live generously, and cherish every moment.* ”
