“ I love you mom and I pray you are dancing with the Lord 🙏❤️ you where the most amazing mother and woman I could have ever had the blessing to have in my life! You rased us all with so much love and you gave us your everything. For that I am so grateful mom! Every day that passes my heart hurts to know you are gone.. I wish I could just walk through the door and see you like I did everyday. I wish I could hear you tell me you love me like you did everyday.. I wish I could call you just to talk again.. I miss you so much and I can't believe your gone.. I remember how we used to joke around and laugh till we cry almost daily I remember all the times you would go play in the creeks and rivers with all of us as kids.. you would get down there and fish catch frogs get dirty.. you did everything with us. There are So many amazing memories of you mom. Dad would come home from work and haveto come looking for all of us just to find you all muddy with us lol. I even remember how you would dance with me when I was only a young boy you loved to dance and I always loved to dance with you. Even as an adult and with all your pain you would do anything to make me smile. You where truly an amazing mom and friend. We love you so much mom! God rest your beautiful sole I know you are at peace now. I will miss you so much love you. See you again someday mom
