“ Dear Momella. You took me to Brazil and were my mom when life was so bad. Lee and I both love you and thank you for all the times you blessed our kids and home. I thank you for teaching me to stand up! To be counted and to listen to God wherever I go. I am so sad that we lost you intelligence. My family will be mourning sometime together. We are very sad that there is no service for us, but send our love to Matt and Brian. Momella was more than just smart, she was a joy!!

Carol, I thank you for introducing me to the church Florida Winter Reunion and sharing the church trips to Brazil with Tony, Sara, Jan, and Josie. Your testimony and sermons were very powerful and your singing and piano playing were a wonderful gift also. We will miss your greatly, but know that you are in heaven with God and Jesus, angels and loved ones and at peace. Joey
