“ Carol was my neighbor and her granddaughter Keira was my best friend and she would always let me come over and swim in her pool and take us to the mall and buy us a whole bunch of stuff even though I wasn't her child she treated me like I was her own and I loved every moment with her she was the happiest person ever and made my day every-time I saw her. After her granddaughter Keira's passing we still stayed in touch and we would hangout even though Keira wasn't there. The last time I ever saw her was a couple months before school started and we got tropical smoothie this and visited Keira's grave Carol will always be remember in my heart and I love you Carol Hill Rest In Peace - Carlynn

“ Carol was the loveliest person I have ever known. Her heart knew no boundaries, as she treated everyone she met with the utmost kindness, compassion, respect and dignity, as she did with those she knew best. I will miss her beautiful smile everytime I saw her, and her desire to always know how you are doing, and to make sure you knew she always wished you well. God must have needed a very special angel to have brought Carol home so soon. Her loss is felt so deeply by so many. Rest in Peace beautiful Carol.

“ *I can never remember a time when Carol didn't have a smile on her face or not be around when I came to visit. I remember her showing me the sunflowers in the garden and telling me that they stand tall to watch over everything. I couldn't find a sunflower in the listing for flowers, but I will always remember that day and believe she is watching over everyone, just as those sunflowers did. Rest In Peace my dear cousin!*
