“ *Aunt Carol held so MUCH love for family. Aunt Carol, she was the meaning of family. I am sure she will hold a special place not only in my heart, in all our hearts.*

I know she is no longer with us in person, yet I know she is with every one of us. She is listening to our cries, wiping our tears, and checking on our well being every minute following her passing. That is who she is and was. I love you so much, Aunt Carol...
