“ *My Aunt Carol was always so kind to me and my family. She was a lot fun and it was just a pleasure to be around her. I have many fond memories spending time with her at all of our family gatherings. She was also a very caring person and we shared a good bond.*

Our thoughts are with the family during this difficult time and we wish them well.

Aunt Carol, While we will miss you deeply, we will always cherish your memory.

“ *Carol was an outgoing, loving, wonderful woman. She loved her family, friends, and her pets, especially Midnight the cat, and Ollie the pup! The saying "never met a stranger"...well, that was Carol. She loved to talk to people everywhere, grocery stores, restaurants, anywhere! She loved having fun with her friends! She will be missed by everyone that knew her. Rest in Peace, Carol...love you!*
