“ I am so fortunate to have had Carol as a "Sista" in my life. Carol was so generous, creative, thoughtful and dedicated to friends and family. We enjoyed lots of laughs and shared some tears during the challenges life has presented. Although she is no longer present physically, her spirit and memory will continue be with us.

“ This is Carol on her 48th birthday in Florida. She had the kind of smile and infectious laugh that you just had to join in with. She was a kind, caring and generous person who was always willing to share whatever she had. She will be greatly missed. Rest in peace. We love you.

I will always remember Carol as when we were in high school. She was always such a sweet, spunky & cute girl with such a positive, infectious personality. I was shocked and so sad to hear of her passing. She will be greatly missed by everyone who has been lucky enough to have known her.
