“ Carolyn was my Aunt. She was a very gifted artist and one of my favorite memories of her is when she did a stunning pencil sketch of a bobcat she made especially for me when I was a preteen. She loved to cook and host family gatherings and she and her family opened their home up to us for many a special holiday dinner filled with laughs and reminiscing. She had a great sense of humor and a very generous heart. When I lost my beloved mom last year (her oldest sister who she was also very close to), we bonded and grew closer and she was there for me so much. I will never forget that and looked forward to catching up with her regularly this past year. My thoughts and prayers are especially with her family. She will be missed very much.
