“ *It is difficult to put what my Aunt Char meant to me in words. She was always funny, sassy, kind, and so loving. I remember one time when she was watching my sister and me when we were kids, we got all wet in the kiddie pool - she changed us out of our clothes and we ran around in a pair of her underwear (safety pinned so her underwear wouldn't fall off of us!). I remember spending the new years eves as a kid at her house. Throughout my whole life, she was a staple part of family gatherings. She amazed me how she continued to work, hosted family get togethers and holidays, traveled, etc.*

I'm thankful for being part of her family, and I will think of her always
