“ I would like to extend my sincerest sympathy and condolence to the friends and family of Charles. May God through his infinite mercy grant you peace and healing. I was Charlies Field Training Officer and later his Patrol Car partner for sometime. When Charles transferred from the Road Patrol to the Aviation Unit, We became partners again. I was his pilot and he was my (Tactical Flight Officer) Observer. Charles and I made a good team either on the ground or in the air. We both enjoyed flying and working together. He was a good man and a fine Officer.
