“ He knew me since I was 4 years old. His “little girl.” So many great memories and a big part of my life after graduating high school when I aspired to be a country girl!! Many of the best and most memorable times in my life. I am forever grateful. My love and condolences to all my younger siblings!! Judy

He was my childhood hero for chopping the head off a rat that was next to my bike way back in the late 60's or early 70's. I have many great childhood memories of "Mr. Dostal" and was lucky enough to run into "Chuck" a few years back as an adult and tell him so. Scott, Dana, Kurt and Jana, I am so sorry for your loss and hope great memories and knowing he was so loved help. We lost my Dad on November 1st (2021) as well and we now have that yearly remembrance date in common.  
Much love,  
Theresa Sears Hill
