“ To the whole Hallay family: So sorry for your loss. Yes, "Chuckie" was definitely one of the good guys. Always smiling and upbeat. Well almost always. There was that one time when he used his left thigh as a platform to cut a part of a model airplane out a piece of balsa wood with a razor blade. Another one I always thought I would see again...

“ I only have a short 3-year (actually probably closer to 2) relationship with Chuck. he worked at Washington Jr High when Jayne and June and i went there in the mid-70s.

he was always cool with the kids and always in a good mood (for someone who had to be a work lol).

he'll be missed by those who are family and who knew him better than i did

“ My little brother Chucky will be sadly missed. He was a great brother growing up and he loved his own family very much. Chuck and Becky were fun to spend time with. Lots of true funny life stories about when he was younger told around many a camp fire. Great times at their camper in lakeport state Park. I'll always celebrate many good memories of my baby brother. 💕

“ To me, Chuck was always a fun-loving happy guy. A funny story, I know my father liked Chuck a lot, was when my father and I went to the Swizzle-Inn Bar in Fort Gratiot, MI and my dad went to introduce me to a friend of his there and it turned out to be Chuck and we laughed and said Hello to each other. My dad didn't know that Chuck was Jill's Uncle, and I already knew him thru her since we were dating at this time and I had already attended some Hallay family events by this time. Chuck will be missed by the whole Hallay family and friends.

“ I'm so sorry for the passing of Uncle Chucky. He was truly one of the "good" ones and I truly believe he was loved by all will be missed by many. A couple things I will always remember about him was his appetite for life and his smile. I remember the weddings or holidays when the whole family would get together. Somewhere in the room I could always hear him laughing with his other 9 siblings. I have many fond memories with Uncle Chucky and I know he is gone but will not be forgotten. My brother Chucky will be greatly missed. Such great memories of him teaching us how to water ski and riding on his motorcycle when we were little. He always had something witty to say and had such a great laugh.
