“ Words cannot express how much I am going to miss Betty and Chuck. Have been my neighbors and friends for over 11 years. Our dogs were even friends. They always treated me like a member of their family. Sometimes family comes in all ways. They loved eachother and their loved ones. It pained me to hear them tell me all about their children who had passed on, but it was good for their soul and mine. I thank God every day for Chuck and Betty, their doggie and family. God only gives us what we can handle and they handled alot. I will miss them forever. Hopefully I brougjt as much joy to them as they brought to me. It is with a heavy heart I tell them goodbye. I loved them and will see them later in heaven. Michelle Schopp

“ *Uncle Charlie grew the most beautiful, perfect roses. He used to bring some over to my grandmother Rita when he visited his brother Glen. Grandma would show them to me when I visited. We were so in awe at his ability to grow such large, perfect blooms. Uncle Charlie was always so kind and generous. He had a great sense of humor too. He will be missed. My sincere condolences to his family.*
