Tribute Wall

“ *Uncle Charlie is one of the few people that I knew I could always go to for solid and real advice. Next to Tom, he was the person I would turn to for any problems or questions I was puzzling through. He would speak truth always.*

I will sorely miss him, but at the same time I find myself proud that he was doing what he loved when he died. That is something far too few of us will be able to achieve.

I will make a donation in his memory to the Wounded Warriors.
