“ I love you and miss you for every day that you are gone, Uncle Chuck. Thank you for all the good times and the laughs with and without the euchre games we had with family and friends. I can't stop thanking you enough for all the support you have given me over the years and the good talking to when I needed it, along with my own parents it helped me to be the person I am today. I will always treasure those memories in my heart forever. Fly with the angels now in good health, you are with God now and I know you will always be watching over to help keep me in check. I love you always, from your niece Christine.
