“ Charlie was my dads next younger brother brother and these two guys were like my twin towers when I was kid. After my dad got really sick Charlie was the closest I had to a ‘dad hug’. He’s also why I don’t offend easily and push my limits with running my mouth. Rough around the edges yes but heart of gold yes. Great euchre partner and great friend. He followed his older brother 19 years to the day to pass over. Love him and miss him. I hope he enjoys all his reunions
