“ *My sweet Aunt Cherie, I have sweet memories of you! I loved listening to you sing and your beautiful smile! Visiting you in Wisconsin was so much fun and coming to stay with you in Ohio. Thank you for always welcoming our family in. I loved how you and me would say we're special because we are the babies of our families and we would laugh a little about that. We love you so dearly and love you too Uncle Lou, Donnie, and Mike. We're family and we love the Lord as we know you also love the Lord. We will see you some day again in heaven my special Aunt Cherie.*

“I agree with my cousin- Aunt Cherie did have the awesome food and the super cool chair that hung from the ceiling in the living room. (We fought over it). I'm so excited to know that I will see her in heaven someday! Thank you for blessing us with your live and kindness here on earth. Uncle Lou, Donny, Mike and family❤️

“Cherie, my dear sister, you had so many tragedies in your life. From the moment you trusted Christ, you called me to share the moment . Your life was changed forever  
From there on Jesus helped you through everything and you became just sweeter and sweeter day by day, sharing that wonderful love of God you so longed for to everyone you met. You made a difference to a lot of people. You were a great picture of what God can do for a life. I never once heard you complain, just praise and trust God through it all. I will miss my prayer sissy, but am so thankful to know "precious in the sight of the Lord is the death of His Saints". The song "It Will Be Worth It All" enters my mind as I think of Your Life. Your influence will continue years to come yet. I love you dearly and can't wait to see you again, painless and still rejoicing. Elaine

“ My dear, dear, aunt Cherie, I was fortunate enough to spend many of my formative years living close to you. You were always the "cool" aunt. usually let us kids get away with just a bit more than our parents would have. Always had candy and fancy new food that us country kids had never heard of. I remember "off-roading" with you in your Jeep. Countless trips to the beach. For all the cool fun trendy things you introduced me to, one thing never waived in all my years of knowing you and that was your love for Jesus. No matter what kind of hardship you were going through and you had your share, I never saw you discouraged or upset with God. I will be forever grateful for the years I was able to spend close to you. Through my sadness and tears right now as I write this, I am rejoicing in my heart in the knowledge that you are pain free and with your savior and that I have the wonderful anticipation of being able to spend eternity in His presence with you.

Your Nephew

*What a wonderful lady, she was . I will always be indebted to her, for being a mother to my girl angie when she was so sick in the hospital after her operation, I couldn't be there but God knew Cheri would. Until I see you again in heaven my friend, just know I love you.*
