“ Sheri was my friend for over 70 years. We met in Kindergarten. It is difficult to name any one particular memory. We spent many times with each other growing up and later in life. We both loved to sing and were in the school choir together through elementary school. We went skiing as teens, enjoyed the casino together, playing cards, and as teens went every Saturday night to the roller rink and many other activities. We planned having our children so they could grow up together. I stood in Sheri's wedding and she stood in mine. I will miss my lifelong friend dearly. Love you Sheri.

“ So many great memories of Sherri. I'm a cousin in law. But Sherri always treated me as family. I loved seeing her at the grandkids birthdays it school events. We were always able to catch up on what's been going on. Honestly she always had a smile. I'm going to miss her but I know she's out of pain and in a much better place. Rest in peace. Love Darlene
