“ I remember a lovely, charming lady, the mother of two of my "Onstage Kids.' Both wonderful young people. Cheryl was a wonderful mother, doing so much for her children so that they would have a healthy, happy life, in spite of some difficult times. Cheryl became close to our family and had a special association with my mother, very sweet to each other. Matt and Nicole were wonderful kids during that time, and a joy too work with. I am so sorry to hear of her passing and send my love to the family, and God Bless.

“ I had the opportunity to work with Cheryl when our paths would cross as members of the energy industry. She was knowledgeable about the industry and about her customers, and was very caring. She will be missed.
