

Chesley S. Smith

May 4, 1947 - March 12, 2024

Heaven gained one of the best angels the world had to offer Tuesday March 12th 2024 at 4:15pm. "Jesse/Jaja was one of the best, most kind, caring, thoughtful, charitable, & funny people you could ever meet. He adored his wife, Donna of 54 years. He was proud of his kids: Angela & Alan Gregory. Amy & Mike Taube, and Andrew Smith. He taught us so many things: to put God 1st and to fix cars & how to fix almost everything, else. He will forever remain in the hearts of more people than he could ever imagine. He loved making fried eggs & Chili. He also liked BBQ chips & chocolate covered cherries. He swung us on swings. He loved gardening tomatoes & Roses. He liked working on his Massey Ferguson tractor. He took us to A&W restaurant, out for ice creams, to the car wash, & to swim at Lake Huron Beach. His favorite movie was Flight of The Phoenix. He loved talking like Donald Duck. Every time we hear Donald Duck we will think of him. The world won't be the same without him, but we are blessed to have loved him. We will love you forever and always Jaja. Not goodbye but see you later. 🍷 Psalm 23: 1-6 He is also survived by many Grandkids: Anthony Smith, Alannah & Arrington McCarty, Ashauna Leigh.
