“ I remember the first time I met Chris when I was a little girl. She had just came to the states from Germany and all our family got together to our house and she cooked. Cooked the most amazing German food! Red cabbage yummy. From that day I was always hanging at the house with her and Bill so I could be with them and sweet little Melanie. I was so sad when you moved away but always loved my aunt Chris.
Prayers and love you Melanie and Alexis.
