“ *The day you came home from the hospital with our Mom. I had never seen a more beautiful baby. Your big blue eyes, so happy to be your big sister. I will miss you, I wish I could tell you one more time how much I love you! I wish we could go back to that simpler time and be kids again when things were different and less complicated. All my love now and always your big sister Theresa (untill we meet again)*
Love, Theresa
