

Christine M. Vercammen

December 16, 1954 - January 20, 2024

Christine M. Vercammen, age 69 of Marine City, passed away January 20, 2024. She was born on December 16, 1954, in Detroit, to the late Karl and Suzanne Vercammen

Chris is survived by her sisters; Michelle and Cheryl and her brothers; Michael and Daniel.

My sister Chris, graduated from Algonac High School. She was never married, and had no children, but she loved her nieces and nephews with all her heart. Chris was the fun aunt!

Chris worked at a variety of different jobs throughout her life and supported herself very well.

She had a dog named "Cruiser", a big dumb dog. When I would visit Chris, the dog would greet me with lots of licks and a wagging tail, but when it was time to leave, he would try to eat me...down dog!

The last two years of her life, Chris stayed at Visions, an adult foster care home. There the head nurse, Jen and the staff took really good care of her, and I want to thank you all very much!

I hope Chris is reunited with her Mother and Father and beloved dog....now that would be heaven.

Love you Crissy,
Brother Dan

“ Aunt Chris liked to spoil her nieces and nephews like they were her own by taking them on camping trips and to one of her favorite places.... Traverse City. She was very loving and thoughtful with everything she did. She loved her dogs too like they were her babies. Just to name a few there was Travis, Chip and the Cruiser. She loved to take them down to the river for a swim and play fetch. She also had a beautiful, crazy parrot named Spankie who she taught to say cute phrases and make telephone sounds.
