“ My deepest heart felt condolences to the Marjan family. Chris will be missed dearly. He had a great heart and was a great friend for such a long time to our family. Over the years my family has been blessed to have shared many moments, dinners, vacations, holiday celebrations, tinkering in the backyard, happy times, down times and even some crazy times....just endless memories with him and that bright yellow hat, shirt, and 4 wheeler that will never be forgotten. He had a way of making you laugh even if that wasn't his intention! It was just Chris... He will continue on in our thoughts and our hearts. His spirit will remain in the many things we will miss him being a part of. Til we all meet again my friend.
