“ *RIP dad to a wonderful father in law who has always been there to make some laugh, smile and have a fun time. Times won't be the same without you here with us and that hurts who would have known you were going to leave us so soon. I'll cherish every memory I have. I am proud to say we named our son after you and to keep it going, the sad part is keiannah won't have a memory and the chance to enjoy time with her papa who loved her dearly along with the rest. But we will tell her all about you growing up. Love you a lot and going to definitely miss you.*
