“ Truly the most positive, uplifting person I have ever had the privilege of knowing, it is very sad to see such an amazing person go, he has always encouraged the people around him and I met him when I was 17 working over at KFC and I just remember talking about movies and old tv shows and comics and I had never met somebody that was so knowledgeable on so many different things, he was such a fun person to be around I remember anytime I was stressed with work or sad and he'd stop by, he would always light up the room. I'm really going to miss him💔

“ *For the family, my deepest sympathy and condolences go out to those that have suffered in this trying time. We have lost someone who has brightened the lives of so many people. CT was too loving and caring to leave us at this early time. May his soul rest in peace and know that this young man will always be in our hearts, always. He always brought joy to the ones he loved and that made him a great husband, and father. He will be dearly missed.*
