“ *Marlene came into my life by accident or actually Godincident. She was an amazing lady. She loved to snuggle up with a good book and a cat. Bella would walk all over her book as she was trying to read. She was waiting for spring. Every nice looking day, she would step out the onto the porch and check things out. She had recently said, "I can't wait to get my hands in some dirt". Her quick wit was hilarious. My family, friends and I are very blessed to have known her. We only wished we could have known her longer. Enjoy that grand library and amazingly beautiful garden in Heaven. Love you so much!*
