“ JR and I shared a Spanish class, one among many, we were part of the gang that reversed the entire classroom when the teacher stepped out for something. The look on her face was priceless. JR truly one of the good guys.

“ My heart is broken today upon hearing of Jr's passing. It seems as I have known Jr all my life. He was always down to our house visiting my brothers. Jr use to call me "Boy Scout". It was always a joke between us. He really laughed when I told him my boys turned out to be real boy scouts and I was one of the leaders. Jr, you will be missed. Know that you were well loved by those who knew you.
