“*Not gone...but only gone before
To where love lives on evermore.
Not lost...but only lost from sight,
As one who walks ahead at night.
Not parted...only just apart,
In memory kept close in heart.
Not of the past...but now to be
A part of our eternity.*”

*Rest In Peace, Toss. I know there were arms open wide and smiles
all around when you passed through the gates into eternity!*
