“ I remember Uncle Clem's gas station, and my dad working there. Uncle Clem was always really good to my brother's and I when we would visit. I have many fond memories of time spent at the station, at his home, and at family events. I'm sure his brothers and sisters are rejoicing in their reunion on the other side, and I'm sure that he'll be missed here. I wish I could have made it to the funeral. I'm sorry I missed it.
