“ I want to share another memory about my mom. (I shared several at the funeral yesterday) We used to go to Florida every year, from my elementary school days through college.
For several years, we had an older mobile home that we drove down.
I remember my mom cooking our lunch and supper, as we were travelling down I-75 (and back up). These days, I'm pretty sure that's not legal (maybe wasn't then either) Crazy dangerous...but thankfully we never had an accident, despite my dad's crazy driving.
Good food, good memories.

Wow; that's an unusually good photo of my mom, who was very un-photogenic. She has a natural, joyful smile. Would you send me a copy of this, please? This site won't allow me to download it.

“ Cleo could keep up with the best of us at line dancing. She was fun to be with and I loved watching her dance. She will be missed.

“ Cleo made a difference in our line dancing class! She was a pleasure to know because of her positive attitude. She was a meticulous dresser and enjoyed the music and dancing. I will always remember her!
