“ Dad,

If I could choose anyone to be my dad, I would choose you. You were always there when I needed you whether I was struggling or celebrating, you stood by me with love and encouragement.

Through the way you lived you showed me what it means to be truly committed, deeply dedicated, to work hard, to give selflessly, to take responsibility, and—most of all—to love with your whole heart. I learned it all by watching you.

Even as tears run down my face, I am smiling when I think of you because your memory reminds me of how lucky I was to have you as my dad. I will miss you for the rest of my life.

I love you Daddy.
