“ How I will miss Connie's hugs! How I will miss her beautiful smile! Heaven most certainly has a wonderful angel, and how blessed am I to not only know Connie, but to say she's my cousin. I can only hope and pray that I will see her again one day. Rest In Peace Connie, and if all of us are just an ounce more like you, this world will be a better place. I love you.

*“ I met and worked with Connie at The Learning Center in '03 and later at her home on Alfred St. She had a great sense of humor and could be so happy and loving. Connie was one of the people who helped me realize that this life is about sharing and caring and trying to have a good time along the way. She will be missed.*

“ If you were ever in need of a hug or a smile all you had to do was look for Connie. She would light up the minute she saw you and then greet you with the biggest hug that would put a smile on your face. She was an inspiration on how to enjoy life and not let the little things get you down. She would just turn her head, wave her hand and shoosh the problem away. And it's funny how much of an icon she was in New Haven. People remember the "Girl on the bike" that would always ride around town back in the day. I'm going to miss your beautiful face Aunt Connie. Rest in peace. Love you forever.

“ I know we shouldn't have favorites, but Connie was definitely my favorite aunt. Every time I saw her she would give me a big smile and wrap her arms around me for a big hug and hold on tight. I would like to think that I was special, but she loved to hug everyone. She had a heart of gold and I will miss her dearly. ❤️
