“ Oh Connie, I don't even know where to start but I'm definitely devastated that it had to end. You were my walking diary, the person I was closest to on our management team. You made my day everyday I saw your face & heard that obnoxious yet absolutely contagious laugh of yours. You were such a kind & caring individual & I was beyond blessed to call you my friend. I will share stories of you often & never let anyone forget you. You are unforgettable. I love you. This isn't goodbye, this is I'll see you later. 💜

“ I worked with Connie 35 yrs ago at Arby's. It wasn't until 2014 when I seen her again, I was her Mother's homecare aide. She told me she was working at Arby's on 24th. And that is where I would see her from time to time. She was hard working, funny, and made delicious shakes. I will miss seeing her and our quick chats in the drive thru.. My condolences to her family. May God comfort you.

“ Connie was an amazing and hard working woman. I had the opportunity to work with her at Arbys and become good friends with her. She was the light in a room of darkness. Our whole Arbys team adored her and will miss her greatly. Condolences to family and friends affected by this loss.

“ Connie, You will forever be missed. I still can't process it and know Arby's won't be the same without you! You were there 28 years. I will forever keep your name alive! I'll miss our store and dollar tree runs when we needed something after work and all of our other memories! You were a great Lady and I was so thankful to have you in my life. I love you and I pray you rest peacefully. My prayers to your family. -Terra
