“ Connie, I wish you peace and always remember you are loved and will not be forgotten. Reflecting on the years gone by, I am truly grateful for the well-thought-out jokes you shared and your consistent effort in sending cards on special occasions and birthdays. Your occasional check-ins meant a lot to me. When we were close or far away, growing up as siblings, our phone conversations and discussions always brought us back together as a family. I will miss those calls from time to time, but rest assured, you will hear me speaking to you when you least expect it. Embrace the warm hugs from Mom, Grandma, and Grandpa as they welcome you in the afterlife. Until we reunite, know that I love you Connie and you will be missed.
