I only knew Connie this year from working with her at Roosevelt Elementary, but she was a very kind woman who obviously loved teaching and her students. I liked her very much. The students and staff at Roosevelt Elementary miss her greatly.

“ *Connie was such an inspiration to me. We were junior and senior high school classmates. She was always cheerful, friendly and confident. Her talents were many. After not seeing her for years, she was at our annual Alma high school alumni picnic last August. It was wonderful to see her still the same happy, fun gal I remembered. My condolences to the family. May your happy memories be comforting in these difficult days.*

Connie was my college room-mate for several years and a member of the singing group "RAMA" that may have been her first band. We had many wonderful times together . We are all shocked by her sudden death. Sending prayers to all of her family members

“*Connie was a beautiful person inside and out. I have know her for many years. My family has fond memories of her teaching Sunday School at Hillside Wesleyan Church. She loved the Lord and she loved to play her guitar. I worked out with her at Birchwood Athletic Center and Cutting Edge Fitness and we worked together at Port Huron Area Schools. She used to talk about little Ci Ci all the time. She was a loving mother and grandmother and will be greatly missed.*
