“ *I was so glad to have the opportunity to meet & spend time with your mother last year (my sister Audrey was her room mate at Medi Lodge last summer) I was so saddened to read of her death. Cora was my mother's name as well. She was truly a lovely lady! I have thought of her so many times since. I will truly remember her with great fondness.*

*We shared some great stories and I know she had great love of her family.*

*My kindest regards to all of you!*

“ I'm so glad I had a chance to meet this beautiful lady Cora (grandma) ..I adored her bright smile that lite up a room every time I'd see her. One special memory that I will hold in heart of Cora is the day we all got together to celebrate Christmas and we passed gift that we found around are home (like gag gifts) she couldn't believe all the funny thing we all came up with we all laughed so hard..Although I wish I would have met Cora sooner. I did get to witness what a beautiful person she was, and a amazing mom and grandma to all the grand children. Rest in peace you will definitely be missed oxoxoxox

“ I have so many wonderful memories of my aunt Cora, she was there for me when I went through a very difficult time in my teen years, always letting me know God was with me. Always praying with me and for me. I'm so glad my last memory was enjoying a nice lunch with her not long ago. Her brother was my grandfather so she was my great aunt. She will be missed very much by all of us.

*I am so sorry to hear of Cora's passing. I worked with Cora, (also with her daughters Sandy and Cora (Jr.)), and they put me working with Cora when I first hired in at Bundy-- years ago. Larry Saad put me under her wing, and he told me that she was the one person they put me with so I would not run out of there screaming on my first day/week of working there. hey wanted more "nice people" working for them and he knew she would train me and keep away anyone who was trouble..... She was always kind, but she could also tell a person a thing or two if they crossed her! I have many memories of working with her and her kids. Condolences to the Spanelewski family.*
