My dear and beloved brother, Craig - 'To everything there is a season and a time for every purpose under heaven', I'll never forget how your homesick nephew and his homesick first-year best friend at Columbia U would reminisce about how you and Sue visited NYC and took them to a New York baseball game followed by some indulgence in classic NYC food afterwards! This had a powerful and positive impact on how they were feeling that first year! Eternally, forever, and always yours, Diane
