“ There isn't a day that goes by when you haven't crossed my mind, Cristin. I miss my sister so much it hurts. I know we always haven't gotten along through the years, but know that I will never forget the good times we shared together. I love you so much and want you to know that. I am so glad that we had the chance to share our feelings before you passed. Most people don't get that chance. I am so glad that you are not suffering anymore. Love you! Avery, Sophia, Jack miss their special aunt and will never forget you. You would be so happy to know that mom is now living close to me. I know that was one thing you were worried about before you passed. She is in a much better place now.

“ Carol,Larry,Autumn an families,

I am so sorry about Cristin an wished I could have gotten to see her before she passed.

I would never be back in touch with this side of my family if not for Cristin looking for me on facebook to let me know about a family reunion she was planning a couple of years ago. Living out of state an with uncle George up in age he won't travel anymore. By watching and talking to Cristin an Larry on Facebook I was able to visit. Cristin is in a better place now she is not suffering anymore,she will have a pair of the biggest wings in Heaven as well as one of the biggest hearts. She has a lot of company in Heaven with all of those that has passed before us.

*Prayers and Blessings to all. Love Sandy Richman (Guardado),

“ My deepest sympathies to the family of my friend cristin. My 1st memory of cristin was the day i met her mom,Carole, after she moved in Brookstone. We both happened to be out walking and we got to talking and she invited me to go with her and meet her daughter! The funny thing wassome poeple thought i was wandering around looking for toilet paper!?! Lol what i found is a true friend. One that will never be forgotten. She has more strength, courage, class and beauty both inside & out. Im honored to have known you and mom &all your many friends and family over these few short years.

“ *Larry, Carol, Autumn and families,
I am so sorry to hear about Cristin. I saw her a few years ago when
she visited my dad at Caretel. I am so happy I was able to visit and
see her at that time. Even in the eyes of diversity, she was a happy
soul. My prayers to you all. Dawn Ellingson*
