“ Dear Members of the Tuckett Family,  
I was so deeply saddened to hear of Dales death. It was a shock to all of us.  
He was such a sweet and kind man and I will always remember him for always leading our team with such professionalism & wisdom. He always had the ability to lighten a situation and teach us how to laugh through a tough day. Dale and I worked the same schedule for years and I will miss our daily morning chats & his routine joke of the day. I admired his advice and loyalty and will miss him greatly. Leonardo’s will not be the same without him.

“ Thinking of your family during this difficult time. Dale and I went through MSU together and shared many memories, Although it has been many years since I have seen him, I remember a kind, gentle, life-loving soul. His beautiful smile could light up a room. Hold his spirit close to your hearts. Prayers and healing energy is being sent to all of you. Much love.. Nancy Silverman Stocker❤️

“ My sincerest condolences to the family of Dale. Dale was my manager for almost four years. Dale always had a quick joke, a twinkle in his eye and a way of making you feel appreciated and valued. I loved the way he taught me not to worry so much and take things in life so seriously. He will be missed. Again, my heartfelt love and prayers to Dales family. Victoria Lozano
