Crystal Fludd:

Dad was the one sitting for hours with homework, coaching baseball, carrying

me in when I fell asleep in the car, staying up late and crying with me during sad movies and teaching me to tie my shoes. Dad was always there when I needed him. He is and always will be the best Dad ever.

“ I'll always remember the good time we had at the cabin snowmobiling and playing games. Going to the outhouse with the seat, and stocking the fire. Even as cold as it was. The nights we came over and played games. My heart and prayers go out to the family, as he will be missed greatly.
