*As I sit here and try to heal from ur loss, I can't. My daily routines are the same but I'm missing something. I'm missing our talks, jokes, and just us in general. U were one of a kind Daniel Alan. I understand u, I don't know how or why but I did. I accepted u for who u were. It was hard believe me. I bit my tongue alot. But I pick my battles and all I wanted was u to get better. God needed u and I don't know why. Why was I the one who had to go through seeing what I did? U wouldn't of wanted me to see that. I know u wouldn't of. I hated seeing u act the way u did sometimes, it broke my heart but I stayed by ur side until u were ok. I wish there was more help out there. If there was maybe u would be here. I love u with all my heart.*

*I'm really having a hard time. I don't take death well at all but an older senior person u kinda understand or a person who is sick with a life threatening disease. But a healthy 34 yr old young man, I just wasn't prepared for this. U always told me that u knew what u could handle and I don't have to worry. I still worried but I never thought it would be u, my brother! I love and miss u so much. P.S. thanks for leaving the bandaids around the house. I do see and find them.*

*Today Chris comes home. I'm so happy but I'm scared. I started counseling yesterday to try to make sense of all this and why. I'm tired of be strong if u understand that. Jody always is the strong one well I'm not right now. I miss u and love u. Ur big sister~ Jody*

*Daniel, as I try to forget the early morning that u left us.....I can't. That sight will forever haunt me. I know u wouldn't of did that on purpose. I know u didn't want to die. I cannot make sense of all of this. Life is going on and I'm stuck can't move on. I'm trying but I just can't. I put a smile and pretend to be "normal" but inside I'm a reck. I miss u. Love u forever my baby brother. Please look after our family as we try to heal. Hugs and kisses!*
