“ *I know Dan from way, way back in his Farm Bureau days. I worked with him for two years before he moved on to other things. He was a great boss and a super nice guy. I babysat his kids for him now and then. I've often thought about him and was sad that we lost touch. Prayers for the family, he'll be dearly missed. ~Stacy Escobedo*

“ I met Dan through my husband, Kent. They both played golf together and formed a close friendship. I could see that Dan was a good, caring and loving guy, from the first time I met him. Dan helped me say Goodby to Kent two years ago. Now Dan is with Kent, continuing their friendship from their Heavenly Home. Two good men gone too soon. Sending my sincerest sympathy to Dan's family and friends. Linda Randall
