“ My family and I would like to give you and your family our deepest sympathy for the lost of your love one. I too have lost several loved ones in death, and the pain is tremendous, even with the passage of time. I found words of encouragement from God’s word the Bible. The Bible speaks of death being an enemy that God never intended mankind to experience. In Isaiah 25:8, God promises that in the future he will actually swallow up death forever. You can put all your trust in God's promises. You and your family are in my prayers.

“ Daniel, my first born child, you were so brilliant, a genius. Reading books at three years old to me and always telling me you were gonna be something great. Bringing home all A's and handing me your report card saying ten dollars an A. You will always have a piece of my heart with you. I love you son... Love Mom
