“ I had the honor of working with Dan for many years at MHP. He was always very kind and always willing to help. He was a pillar of information and quick to share his knowledge. No matter what was going on, he was always in a good mood too. He will be missed. My condolences to his family and friends.

“ Mary....

I was so sorry to hear about Dan....you have my full, heartfelt condolences....he kind of befriended me when I was new at McLaren and really helped me fit in. I know from talking to him regularly he loved and appreciated you so much....it's like you were his happy ending after having endured so much in his life before he met you. Take special care...,

“ To Leah and Lesley,

I am so, so sorry for your loss. There are just no words. I never got to meet him, (I wish I had, because he sounded SO cool) but I know he's gotta be so beyond proud of the incredible women that you both are today.
