“ I'm going to miss you Danny, you were the best big brother a girl could have. Not many brothers in their late teens, early twenties want to hang out with a little kid but I remember the days bopping around town in your car just going nowhere. You took me to my first "rock" concert at Pine Knob when I was about 7 or 8. So many memories between us.

“ I am so very sorry for your loss. Dan was one of my FAVORITE co-workers. We shared many laughs and probably too many beers. I looked up to him and always sought out his advice. He LOVED his family and friends and he was LOVED by all. I will miss him terribly. God bless you and comfort you now and always 🙏🙏🙏❤️
