“ Danny and Jeannie,,
I know that there's not much I can say to help heal the hearts that have been shattered. You just have to place your faith in Gods arms knowing he's holding DJ right now. If you believe that, then each day God will take a little more of your pain, anger and distrust in this world.
Take care of yourself,, and believe DJ is doing ok now, in the presence of your Father and Mother,,
I am so truly sorry and if you ever need something, or just wanna talk,,
