“ *Dan was a good man through and through. I didn't get to see him much in recent years, but we always enjoyed catching up. I guess it was a couple of years ago when he was back in town that we last got a chance to hang out for a few hours. I'm very glad that we did. We had a lot of fun, just like we did all those years ago, when we were kids.*

Rest easy, Old Friend, and God bless you and your family.

I used to work with Dan years ago at the probation department in Port Huron. He was a good guy.
